## **Severe Weather Preparedness Workshop**

Are You Ready for a Severe Weather Disaster?

Thunderstorms pose a number of life-threatening hazards, including lightning, hail, damaging winds, flash flooding, and tornadoes. Preparedness is the key to surviving a weather disaster. Learn the facts and myths about the severe weather hazards that impact our area. Learn how to monitor the weather, how to receive and understand watches and warnings, and how to protect yourself, your family and co-workers from tornadoes and other storm hazards. This program is appropriate for all ages (middle school and up).

## **Health and Safety Expo**

Visit approximately 30 organizations that will be providing information related to health, safety, fitness, preparedness and emergency response. Pick-up literature, giveaways and speak to the experts to find out what's new. For an updated listing of participating organizations and activities, visit [www.safenewlenox.org](http://www.safenewlenox.org) For questions or additional information, please contact Public Safety Division Chief Daniel Martin at the New Lenox Police Department (815) 462-6100 or via email [dmartin@newlenox.net](mailto:dmartin@newlenox.net)
