

ROUNABOUT EDUCATION

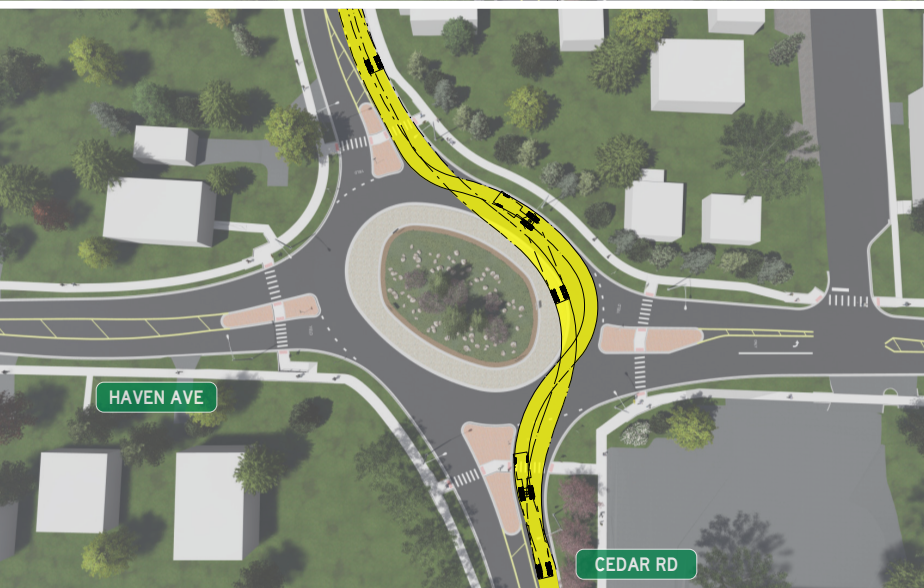

Cedar Road at Haven Avenue

Navigating a Roundabout: **Large Trucks**

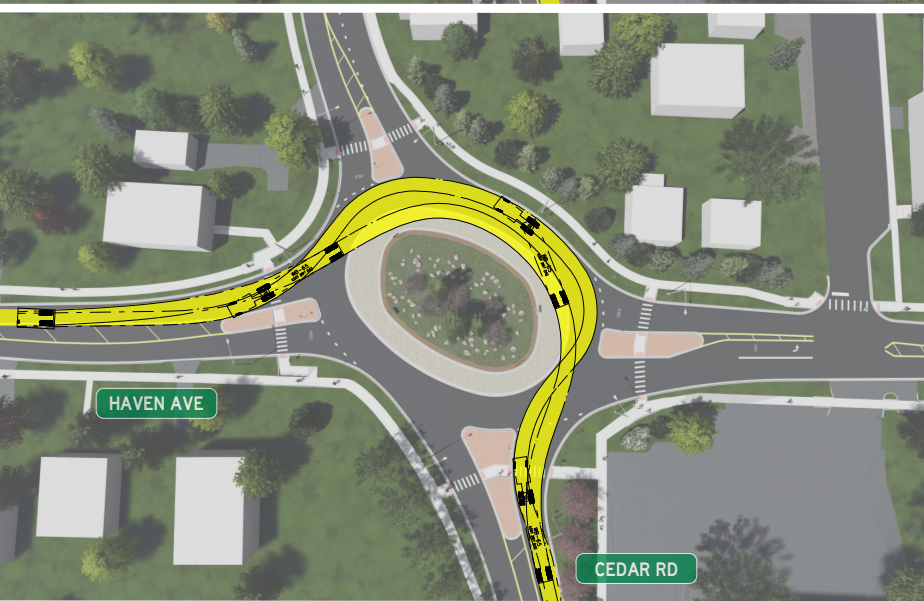

Making a **Right Turn**

1. Slow down and read advance signing for your destination.
2. Yield to pedestrians and bicyclists at the crosswalk.
3. When clear, stay close to the left curb line and use all available space to enter the roundabout and complete the turn.
4. Yield to pedestrians and bicyclists at the crosswalk as you exit.

Making a **Through Movement**

1. Slow down and read advance signing for your destination.
2. Yield to pedestrians and bicyclists at the crosswalk.
3. When clear, stay close to the left curb line and use all available space to enter the roundabout.
4. Keep in mind the trailer may off-track onto the **mountable truck apron** while circulating.
5. Yield to pedestrians and bicyclists at the crosswalk as you exit.

Making a **Left Turn**

1. Slow down and read advance signing for your destination.
2. Yield to pedestrians and bicyclists at the crosswalk.
3. When clear, stay close to the left curb line and use all available space to enter the roundabout.
4. Keep in mind the trailer may off-track onto the **mountable truck apron** while circulating.
5. Yield to pedestrians and bicyclists at the crosswalk as you exit.
